

READING - KINDERGARTEN

PEARSON

Sing, Spell, Read & Write uses phonics songs, interactive charts, and games to teach the alphabetic principle, phonemic awareness, sound/letter correspondence, short vowel sounds, and blending - in a fun and meaningful way. By the end of Kindergarten students will be reading fully-decodable story books with single-, short- vowel words.

LANGUAGE ARTS - 1ST-6TH GRADES

ALPHA OMEGA LIFEPAC

LIFEPAC Language Arts, for grades K-12, targets the sequential development of communication skills in reading, writing, listening, and speaking. Because LIFEPAC Language Arts is an integrated program, the elementary grades weave skill topics (Reading, Writing, Listening, Speaking) together within units. In the middle and high school grades, skills are developed unit by unit. The major strands are detailed as follows: Reading (Vocabulary, Comprehension Skills, Literature Studies), Writing (Spelling, Penmanship, Grammar, Composition), Speaking and Listening, and Special Topics (Visual Media, History of the English Language, The Bible as Literature, Book Reports, and Study and Research Skills).

MATHEMATICS - K-6TH GRADES

MCGRAW-HILL

Real Math

SRA Real Math, Grades PreK-6, makes mathematics real for students by building on what students already know and learn outside the math classroom and incorporating essential skills and concepts through exciting and relevant applications. This connected math program is based on solid research and thoroughly field tested content. *SRA Real Math* exceeds today's math standards by aligning with *NCTM Focal Points and fully integrating all five strands of math proficiency including understanding, computing, applying, reasoning, and engaging.

*National Council of Teachers of Mathematics

SCIENCE

1ST-6TH GRADES

ACSI SCIENCE

Vivid photographs, easy-to-understand text, and engaging activities introduce students to the wonders of God's creation through the study of science. Students get age-appropriate experience with scientific observation and the scientific method. An introduction explains new scientific concepts simply, and is accompanied by photographs; review activities and exercises follow the reading. Pages are perforated and may be removed. Your students will acquire valuable skills through age-appropriate scientific inquiry while gaining a deeper appreciation of God's creation.

SOCIAL STUDIES

1ST-6TH GRADES

Welcome to *Scott Foresman Social Studies*! Today more than ever before educators are challenged with making a difference in our student's lives - but what does that mean? At Pearson, we believe it means challenging ourselves every day to make the world better, in small ways and large. It's important that we show our students what it means to be citizens of this nation - that respect, caring, responsibility, fairness, courage, and honesty are the pillars that make us strong. With rich content that captures students' imaginations and built-in reading and vocabulary instruction, your students will not only be learning, they'll be preparing for success on high-stakes state and national tests.
